NOTE

Dated 30th December 1927

In the course of my inspection of Davangere Town on the 25th instant I found that some sites alongside the railway line had been applied for by private parties for the construction of chattrams etc As it might eventually become necessary to extend the present railway station and yard and the adjacent lands would in that case be wanted, I am not in favour of the lands being disposed of to private parties. The Municipality may kindly be informed that no more private buildings should be allowed to spring up in this area

Dated, Bangalore, 13 / 1928

No. L4036 ml 284 - 27-3

From

R. RANGA RAO, Esq., B. A., B. L.,
General Secretary to the Government of His Highness the Maharaja of Mysore.

To

D. Srinivasa Iyengar, Esq., B.A.,

Deputy Commissioner,

Chitaldrug District.

Sir,

It is understood that in Davangere Town some sites alongside the Railway line have been applied for by private parties for the construction of chattrams etc., as it might eventually become necessary to extend the present railway station and yard and the adjacent lands would in that case be wanted, Government consider that it is not desirable to dispose of these lands to private parties. I am therefore to request you to inform the Municipality of Davangere that no more private building should be allowed to spring up in this area

I have the honour to be,
Sir,
Your most obedient servant,

M Venkatasubbaiya
